CEFM Network is changing its name

Just a heads up! The board has voted to change the name from CEFM Network to Catonsville Emergency Assistance (CEA). The name change will better reflect the work that we do, assisting our neighbors in need of food, utility turnoff and eviction prevention assistance. In voting to change the name, board members noted that the old name was often confusing. A roll-out is planned for this fall with a new website and sign.

ED message

So many exciting things are happening here at CEFM. Thanks to everyone who came out to Frederick Road Fridays to volunteer and those who came to support us! In addition to all of the events and projects highlighted in this month's newsletter, we are hosting our second financial education class this month, and fundraisers are in the planning stages.

Stay tuned, and as always, thanks to all CEFM volunteers!

Volunteer Appreciation Breakfast

CEFM recognized 60 steady volunteers by honoring them with a gourmet breakfast buffet catered by Table Field Catering at Catonsville Presbyterian Church on Saturday June 27.

Pictured are Table Field Catering head chef Paul Dongarra, the delicious buffet, and David Carr.

During the event, the Executive Director, Megan Murduck, Volunteer Coordinator, Jane Byers, and former President, Peggy Carr, spoke to the invaluable contributions made towards providing emergency assistance to 449 families and over 1,200 households during 2014.

The menu included almond croissants, vegetarian Italian frittata, prosciutto, fresh fruit salad, smoked salmon cream cheese, bagels, yogurt, granola, cranberry and orange juices, and coffee.

One step at a time

Remodeling update

Completed porch stairs and the owner of Hammertime Home Improvement, Mark Hiteshew.

The clients and volunteers marvel at how handsome and useful the new side steps and railing are off the front porch.

Updates have continued to improve overall condition and energy efficiency, including a back ramp concrete pad, and installation of a back door Chimecom.

New and improved attic insulation is scheduled as this newsletter is going to print.

Bruce Grine (L) and Bob Greenwalt installing the concrete ramp pad.

Many thanks to Board Members, Jane Byers, Bob Greenwalt and Gene Cashour for scheduling workmen to make all the repairs happen.
